Strategy Overview : Crime Triangle

Sufficient for prevention:

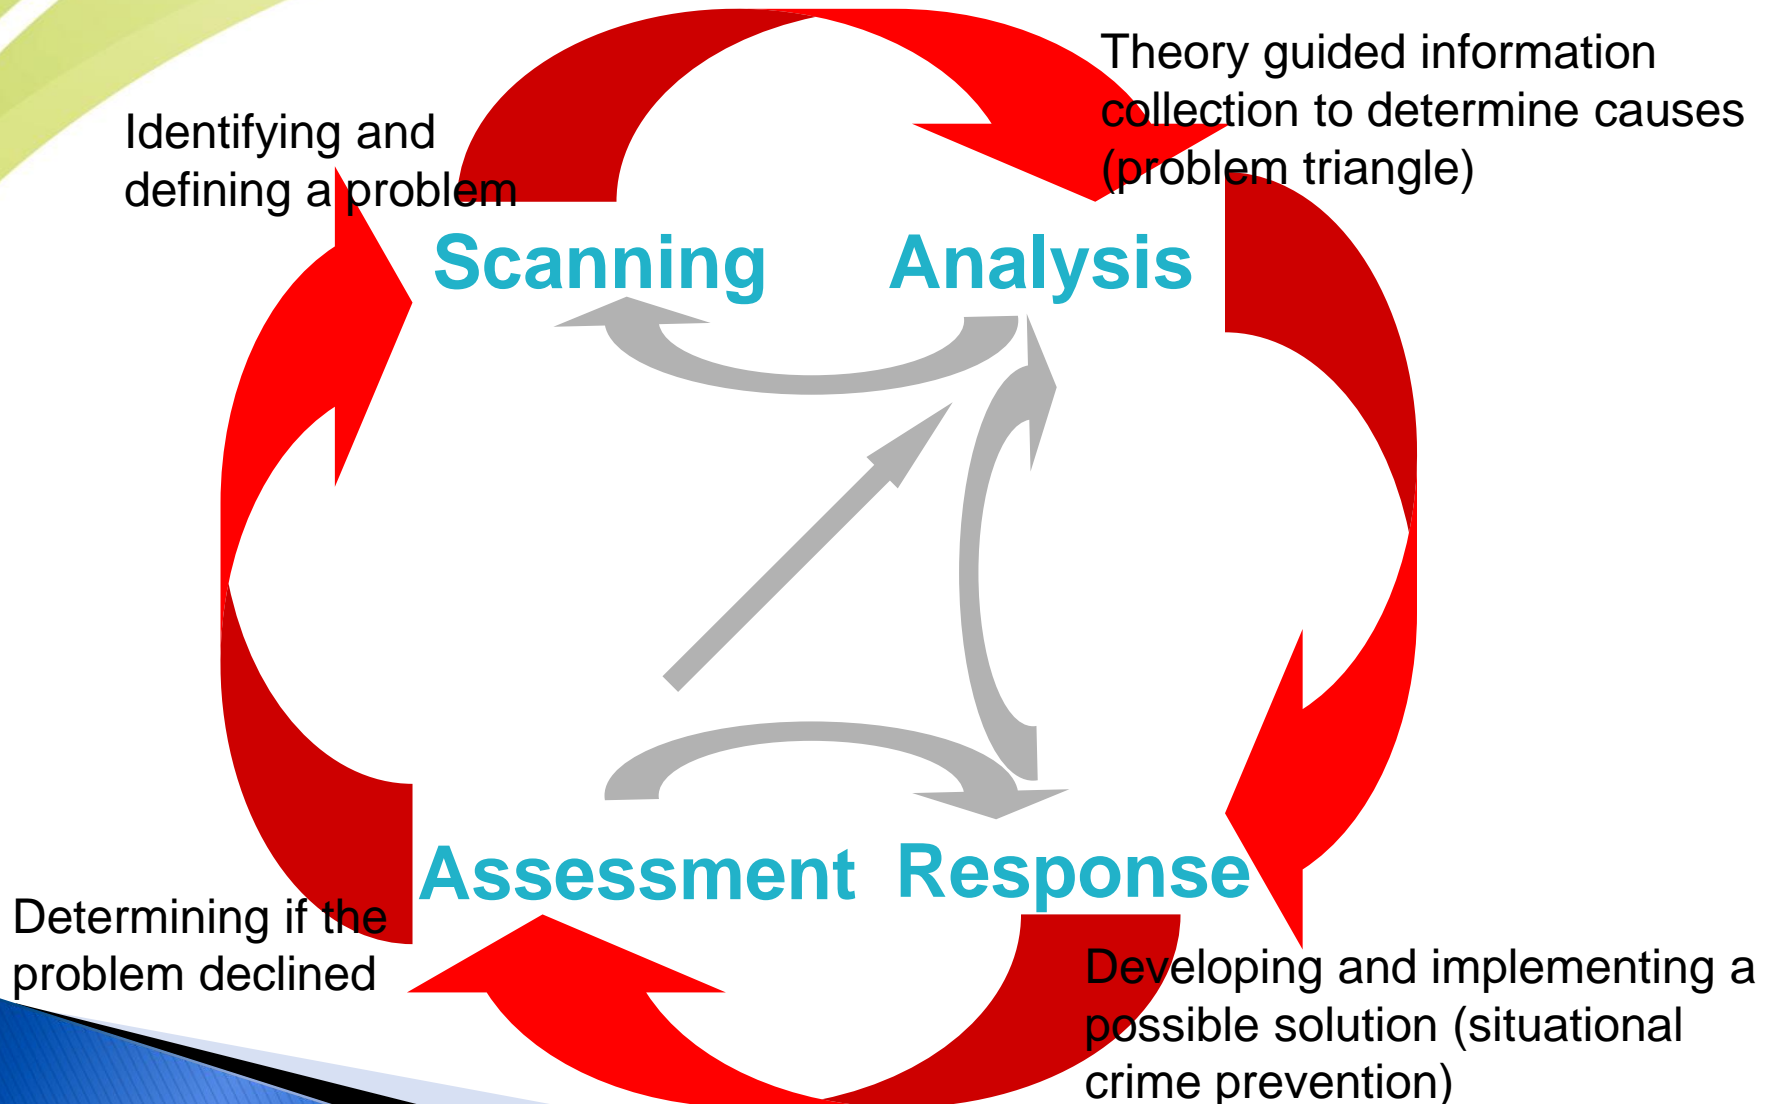

- Add these, if possible

Necessary for crime event:

- Remove these, if possible

Strategy Overview: Problem Solving Approach

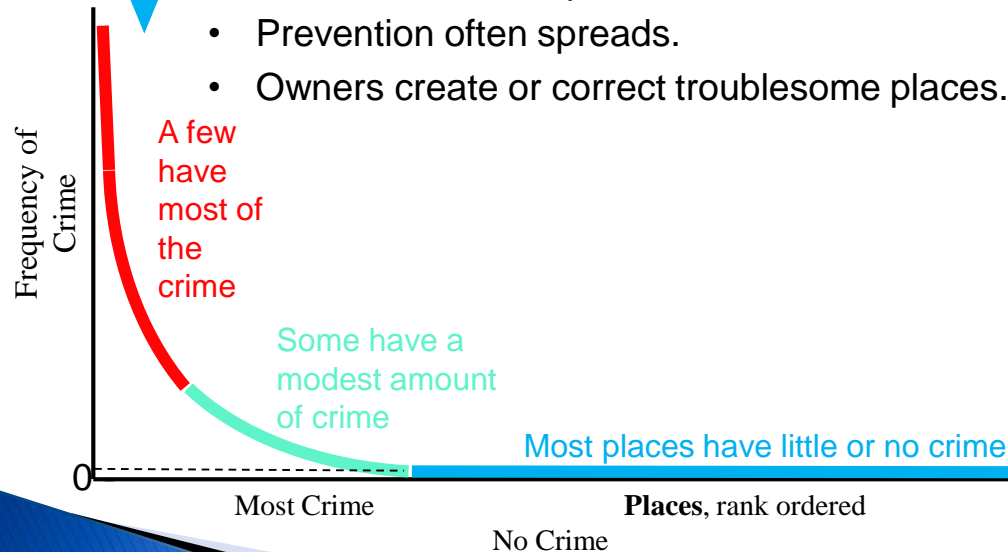

What does success look like?

Place-Based Strategies: Overview

Evidence About Crime & Places

- Crime concentrated among offenders, victims, and places.
- It is particularly concentrated at a few very small locations.
- Troublesome places tend stay troublesome.
- Bad places are not the result of bad neighborhoods or size.
- Its possible to reduce crime at these places.
- Crime does not displace much.
- Prevention often spreads.
- Owners create or correct troublesome places.
